**Formed.org ~ The Presence** ~ "I recently watched a 3-part series called "The Presence - The Mystery of the Eucharist".

It explained about the true meaning of the Eucharist - that it is not merely a symbolic ritual, it is the true presence of Christ amongst us. He is bringing Heaven down to share its glory with us. As a (fairly) new Catholic, I found myself in awe on how something so vast and beautiful can be present in something so humble - a small piece of bread. We Catholics must try to remember how blessed we are to be able to receive and share His love in this way." Submitted by Bryan Priebe
